

The Bible Molds My Heart

Why was the Bible so important to Mary Jones?

Write words that describe what is inside each person's heart.

Fleshly
(Galatians 5:19-21)

Godly
(Galatians 5:22-23)

God's People Give

When Moses told the people to bring an offering to build the tabernacle, they gave more than was needed. Why do you think they gave so much?

Draw a heart around the best answer.

They knew that if they gave a lot, God would leave them alone.

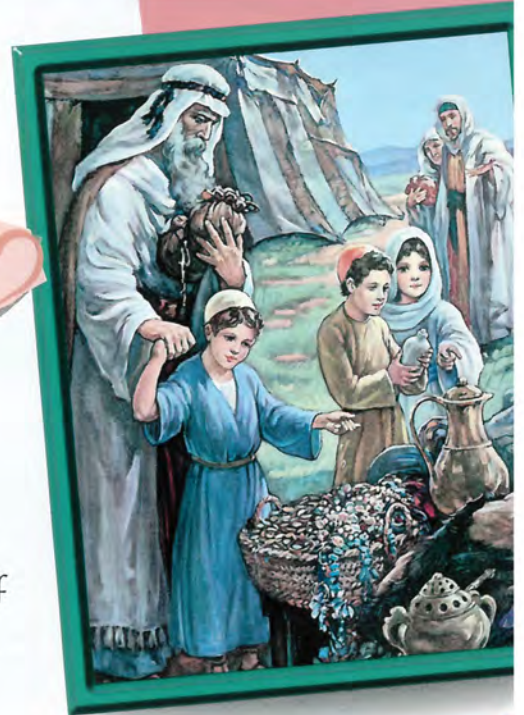

They were afraid that God would punish them if they didn't give enough.

They loved God so much they wanted to obey.

They did not realize that gold was valuable.

Since others were giving, they thought they'd better give, too, or they would look selfish.

Obedient Hearts

Most of all, God wants us to _____ Him (see James 1:22). Draw lines to show what happens if we don't listen and obey.

Draw a picture that shows what God is doing to mold your heart.
