

The Bible Reaches My Friends

God wants us to be His tools or instruments. That means He wants to speak to our friends through us.

When we tell our friends what the Bible says, they hear God's beautiful message.

What beautiful words from the Bible do your friends need to hear?

God _____ you
(John 3:16).

God wants to _____
your sins (1 John 1:9).

Jesus _____ for you
(Romans 5:8).

If you believe in Jesus, you will have
_____ life (1 John 5:13).

- Queen Esther's people were in danger. But she knew that if she spoke up to help them, *she* would be in danger.

If you were Queen Esther, what would you have done?

What did God do when Esther spoke up for her friends? _____

Draw a line from each reason some Christians are afraid to tell their friends about Jesus to the picture that completes it.

Maybe their friends will...

They are afraid their friends will ask...

What if their friends just won't...

Become God's Instrument

God wants to use you to tell your friends about Him. Here are some ideas to help you get His message to them. Check the ones that you can do. Then write an idea of your own.

- Tell a friend what Jesus did for you.
- Give a Bible or a book about Jesus to a friend as a gift.
- Offer to give a friend a ride to church or to another Christian activity.
- Listen to Christian music while you play together.
- Invite a friend over to watch a Christian video that tells how to know Jesus.
- Your idea:

Name a friend that you can do one of these things with.
